

Supporting document for declaration of compliance

1(2)

Certificate of compliance with regulations for tissue in contact with food

Customer: Oy SCA Hygiene Products Ab/Nokia Mill

Product: Tork Basic Paper, Tork Wiping Paper, Tork for electronic dispenser, Tork Xpress Multifold HT Universal, Tork Xpress Multifold HT Advanced, Tork Xpress Soft Multifold HT, Tork HT Universal (C-fold), Tork HT Advanced (C-fold), Emilia kitchen towel (white and printed), Luonnonystävän kitchen towel, private label kitchen towels

We have obtained from the producer detailed information concerning raw materials and additives. We have also analysed the tissue sample using methods which are listed in appendix 1. Based on our investigations, we consider the above tissue to comply with the following guidelines and recommendations in terms of its chemical composition:

- The Guidelines for tissue paper kitchen towels and napkins (version 1 - 22.9.2004)
The Guidelines are part of the Council of Europe's Policy statements on food contact materials. The Guidelines based on the specifications of Resolution AP (2002) 1 on paper and board materials and articles intended to come into contact with foodstuffs.
- BfR recommendation no. XXXVI, 1 June 2013, Germany.
